

## ELOHEH HEALTH – EXECUTIVE LEADERSHIP PROFILES

### *Empowering Healthcare with Purpose*

Dr. Amina Patel: Chief Executive Officer

Dr. Patel is a board-certified emergency physician with 15+ years of experience in community medicine. As CEO, she helps Eloheh expand its mission to access healthcare in underserved areas, using on-the-ground medical experience.

Marcus Lin: Chief Operating Officer

Marcus oversees operations for Eloheh's online and physical platforms. With a background in hospital administration, he works to optimize company efficiency, allocate resources well, and implement systems.

Dalia Romero: Chief Technology Officer

A biomedical engineer and former biotech startup founder, Dalia leads Eloheh's main innovation, developing smart wearable devices and AI diagnostics to better the patient experience.

Samira Khan: Chief Wellness Officer

With a background in behavioral health and public health education, Samira designs Eloheh's patient-centered wellness programs. Her work includes community outreach, nutrition education, and mental health initiatives.
